CAMPUS FACILITIES AT BBS

At BBS, we aim to provide a supportive and functional learning environment that meets the needs of our students and staff. Our facilities are designed to enhance the learning experience, encourage collaboration, and offer spaces for study, engagement, and support.

Classrooms

Our classrooms are set up to support effective learning, equipped with large-screen displays and Wi-Fi access. This allows lecturers to use a range of teaching methods, including presentations, videos, and online resources, creating an interactive and engaging environment for students.

Student Breakout Area

The Student Breakout Area offers a space where students can take a break, meet with peers, or work on group projects. It includes seating areas and basic amenities such as a microwave, hot water kettle, and a water station for students who wish to have meals on campus.

Quiet Study Area

For those who prefer a quiet space to focus, our Quiet Study Area provides an environment suited for independent study and research. This space is designed to support students who need a distraction-free setting to concentrate on their work.

Administration & Staff Offices

The administration and staff offices serve as key points for academic and student support. Whether students need assistance with general enquiries or academic matters, our team is available to provide guidance as required.

Student Services Area

The Student Services Area is where students can access support with admissions, enrolment, academic guidance, and general assistance. This space is designed to ensure students have access to the information and help they need throughout their studies.

Reception

Our Reception Area is the first point of contact for visitors and students. Whether you need directions, have a question, or require assistance, our staff are available to help.

Meeting Rooms

The campus includes meeting rooms that can be used for a variety of purposes, including student discussions, academic consultations, and small group meetings. These spaces support both learning and administrative needs.

Convenient Location & Accessibility

Our campus is located at Level 1, 108-112 Johnston Street, Collingwood, VIC 3066, making it easily accessible by train, bus, tram and car. With a well-connected location, students can commute conveniently and access nearby amenities.
